P.N. 239266_19/10/2026

Call for expression of interest for one (1) Business Studies Position
in the Institute of Geoenergy (IG)
Foundation for Research and Technology – Hellas (FORTH)
[EYZ00261_03]

The Institute of Geoenergy (FORTH/IG) invites applications for a Business Studies position within the EU funded research project entitled "advanced Fibre Optic Sensing for subMARine critical INfrastructure protection"- Acronym: FOSMARIN (GA No. 101309039).

Position(s): One (1) **Project-based contract position**
Project: "advanced Fibre Optic Sensing for subMARine critical INfrastructure protection", Akronym: "FOSMARIN", GA no 101309039, funded by the European Union (European Research Executive Agency HORIZON-CL3-2025-01)
Location: Chania, Crete, Greece
Opening date: 19/10/2026
Closing date: 03/11/2026
Ref.: EYZ00261_03

Job Description:

As part of this call, one (1) temporary Project-based contract position in Business Studies is announced with the subject: "Technical management of the project "FOSMARIN". Support of the process of gathering end users' requirements and needs, and definition of the measures for assessing impact. Support of the Financial Support to Third Parties (FSTP) process and coordination and evaluation of the pilot applications."

The position is funded by the European Union under European Research Executive Agency HORIZON-CL3-2025-01), project entitled **"advanced Fibre Optic Sensing for subMARine critical INfrastructure protection", Akronym "FOSMARIN",** GA no 101309039**.**

About the new position:

The successful applicant will be responsible to contribute to the technical management of the project "FOSMARIN", the process of gathering end users' requirements and needs, and defining measures for assessing impact. The applicant will also contribute to the Financial Support to Third Parties (FSTP) process, the coordination and evaluation of the pilot applications, and support subsequent project tasks:
Task 1.2 -Technical Management, Tasks 2.1, 2.2 and 2.3 Requirements Collection and Measures for Impact, Requirements on End User Workflow Integration, and System specifications, Task 5.4 -Technical & Usability Testing of Integrated Project Platform, Tasks 6.2, 6.4 and 6.5 -Test Site B Demonstration, -Pilots at Third party sites, and -End-User Evaluation, Task 7.4 -Impact of the FOAS acoustic detection and prediction on SOP of security authorities.

Remuneration

The total remuneration is set at €6,000 VAT included, and shall be charged exclusively to the budget of the FOSMARIN project.

Funded by
the European Union

Duration:

The estimated duration of the contract to be concluded between FORTH/IG and the selected personnel is twelve (12) months.

The contract may be renewed or extended without limitation, subject to a decision by the Board of Directors of the Foundation for Research and Technology – Hellas (FORTH) and provided that the necessary funds are available within the project, without the need for a new Call for Expressions of Interest, up until the project's end date.

The desired start date of the contract is December 1, 2026.

Required qualifications:

1. BA in Business Studies or holder of an equivalent or identical in content specialty diploma or degree from a University in Greece or a foreign university recognized by DOATAP (Hellenic National Academic Recognition and Information Center).
2. More than 10 years of demonstrated experience managing projects funded by European Union (EU) programmes. Served as Project Manager and/or Technical Advisor in at least five (5) collaborative projects funded by European or national programmes.
3. Demonstrated experience in developing and implementing quality management systems in the fields of project- and financial- management (e.g. ISO 9001).
4. Proven knowledge of data protection regulations, including the GDPR.
5. Proven knowledge of the English language, excellent oral and written English skills (Level C2).
6. Ability to start in the next two (2) months.
7. Military service obligation should be fulfilled (only males) or have been legally exempted from them.

Desired qualifications/ requirements:

- Practical experience in the implementation of EU-funded collaborative projects, including work plans, deliverables, milestones and reporting.
- Experience in project budget monitoring, financial reporting and maintaining supporting documentation for audits.
- Proven knowledge to Disaster and Crisis Management.
- Ability to work in a team and to take initiative, ability to communicate with people and relevant experience to the main subject will be desired.

Evaluation criteria:

	Evaluation criteria	Maximum score

	Evaluation criteria	Maximum score
1.	Evaluation of the application	75%
2.	Performance in the interview	25%
Total score		100%

Application Submission:

Applicants are invited to submit their application and all required supporting documents within
fifteen (15) calendar days from the publication date of this announcement, i.e., no later than **03/11/2026.**

Interested applicants should submit their application **ONLY** electronically to the email address: ig@ig.forth.gr with the subject line: **Application EYZ00261_03.**

Application must include:

- Application form referencing the position code (APPENDIX I).
- Detailed Curriculum Vitae (CV).
- Clear photocopies of primary degrees, additional degrees, certifications, and work experience attestations, as well as any other documentation that substantiates the required qualifications and information listed in the CV.
- Recommendation letters, work experience attestations, or other documentation that verifies the required experience or any additional elements the applicant wishes to include to support the experience mentioned in the CV.
- Certificate of military service completion (for male applicants) or lawful exemption for the entire duration of the project.
- List of publications
- Public insurance official certificates for the period of working experience
- In case of titles and qualifications awarded by foreign Higher Education Institutions, the provisions of the Law 55/2023 (article 36) and 4957/2022 (article 304) are implemented.

Contact Information:

For further information and questions regarding the application and selection procedure, please contact Mr. Iraklis Drakakis via email at drakakis@ig.forth.gr.
For information and questions about the advertised position the activity of the group or the Institute, please contact Dr. Spyridon Bellas (spyrosbellas@ig.forth.gr).

Evaluation procedure:

Applications are evaluated by an Evaluation Committee consisting of three regular and three alternate members from the staff of FORTH – Institute of Geoenergy (IG). One of the regular members must obligatorily be the Project Leader.

The Committee is appointed by decision of the Board of Directors of the Foundation for Research and Technology – Hellas (FORTH). To avoid disqualification, members of the Evaluation Committee must not have blood or marriage relations up to the third degree with any candidate. The Committee's recommendation is forwarded to the Director of FORTH/IG.

In the event of a tie between two or more candidates after the final ranking, the candidate with the highest score in the most significant criterion will be selected.

The evaluation criteria, based on their relative importance, have been ranked in ascending order as outlined above. If the tie persists, the Evaluation Committee will conduct a public draw to determine the final selection among the tied candidates.

Selection Announcement

The result of the selection will be announced on the website of FORTH/IG (https://www.ig.forth.gr/recruitment) and on the online platform DIAVGEIA (https://diavgeia.gov.gr/login).

Applicants have the right to appeal the selection decision, by addressing their written objection to the IG secretariat within five (5) days since the results announcement on the web. They also have the right to access (a) the files of the candidates as well as (b) the table of candidates' scores (ranking of candidates results). All the above information related to the selection procedure will be available at the secretariat of FORTH/IG in line with the Hellenic Data Protection Authority. Access to personal data of co-candidates shall be limited to personal data (and relevant data) and supporting documents which have been the basis of the evaluation of the candidates for the specific post(s). Prior to the announcement of the personal data and/or documents of the co-candidates to the applicant, FORTH will inform the data subjects in an appropriate way.

The selected applicants will be notified personally regarding the success of his/her application and will be requested to submit certified copies of his/her degrees. If the submitted documents do not agree with the original application, the applicant will be dismissed.

GDPR Disclaimer

FORTH is compliant with all legal procedures for the processing of personal data as defined by the Regulation EU/2016/679 on the protection of natural persons with regard to the processing of personal data. FORTH processes the personal data and relevant supporting documents that applicants have submitted. Processing of that data is carried out exclusively for the needs and purposes of this specific call. Such data shall not be transmitted to or communicated to any third party unless required by law. FORTH retains the above data up to the announcement of the final results of the call, unless further process and reservation is required by law or for purposes of exercise, enforcement, prosecution of certain one's legitimate legal rights' as defined in the Regulation EU/2016/679 and/or

in national law. Under the Regulation EU/2016/679, applicants have the rights to be informed about their personal data, access to, rectification and erasure, restrictions of process and objection to as provided by applicable regulation and national laws. Applicants have the right to file a complaint to the national Data Protection Authority. For any further information regarding exercise of personal data protection rights, applicants may contact the Data Protection Officer at FORTH at dpo@admin.forth.gr. Applicants have the right to withdraw their application and consent for the processing of personal data at any time. In this case, FORTH shall destroy such documents and/or supporting documents submitted and shall delete the related personal data.
